

MERAVILLA POOL CITY – AI INVESTMENT CALLING SCRIPT

Premium Investment Advisor Tone | Hinglish

SECTION 1: OPENING & PERMISSION

Agent:

Hello <NAME> ji, kaise ho aap?

Main Dipti bol rahi hoon Meravilla Pool City se.

<NAME> ji, main aapka zyada time nahi loongi.

Bas ek interesting opportunity share karni thi.

Normally log second home kharidte hain aur woh saal mein sirf kuch din hi use hota hai.

Yahan concept thoda alag hai.

Aapko villa ownership milti hai, family vacations ka benefit milta hai aur saath hi rental income ka bhi opportunity create hota hai.

Kya main aapko 1 minute mein concept explain kar sakti hoon?

IF CUSTOMER AGREES

Agent:

Thank you <NAME> ji.

Meravilla Pool City Shahapur mein ek premium resort-style villa community hai.

Yeh un logon ke liye design ki gayi hai jo sirf property nahi, ek lifestyle asset create karna chahte hain.

Aap jab chahe apni villa family ke saath enjoy kar sakte ho, aur jab use na kar rahe ho tab rental income generate karne ka opportunity bhi milta hai.

Matlab ek hi investment mein:

✓ Villa Ownership

✓ Weekend Holiday Home

✓ Rental Income Opportunity

✓ Long-Term Appreciation Potential

Aur sabse achhi baat yeh hai ki entry investment Mumbai aur other luxury second-home destinations ke comparison mein kaafi attractive hai.

SECTION 2: UNDERSTANDING THE CUSTOMER

Agent:

<NAME> ji, ek baat samajhna chahta/chahti hoon.

Aap primarily investment ke liye dekh rahe ho ya family ke liye weekend home bhi consider kar rahe ho?

(Customer responds)

Perfect.

Aur aap real estate mein pehle se invest karte ho ya yeh aapka first investment hoga is category mein?

(Customer responds)

SECTION 3: THE INVESTMENT STORY

Agent:

<NAME> ji, aaj ke time par investors do cheezein dekhte hain.

Pehla – property ki future value.

Dusra – asset khud ko sustain kar sakta hai ya nahi.

Isi wajah se resort villas ka segment kaafi popular ho raha hai.

Ek traditional second home mein maintenance cost aap dete ho.

Yahan concept different hai.

Property aapki ownership mein rehti hai aur rental management model ke through income generate karne ka opportunity create hota hai.

Isi wajah se kaafi investors is category ko passive wealth creation ke perspective se dekh rahe hain.

SECTION 4: WHY SHAHAPUR?

Agent:

Location bhi yahan ek bahut strong factor hai.

Shahapur rapidly Mumbai Metropolitan Region ka emerging second-home destination ban raha hai.

Logon ko yahan kya attract karta hai?

Excellent connectivity.

Natural surroundings.

Clean environment.

Weekend accessibility from Mumbai, Thane aur Navi Mumbai.

Aur sabse important, entry prices abhi bhi early-stage growth market ke level par hain.

Isliye kaafi investors future appreciation ko lekar positive hain.

SECTION 5: PROJECT HIGHLIGHTS

Agent:

Meravilla Pool City mein fully developed resort-style ecosystem create kiya ja raha hai.

Yahan multiple lifestyle amenities planned hain, including:

Swimming pools

Sports facilities

Kids recreation areas

Clubhouse experiences

Fine dining

Wellness facilities

Gym

Spa

Yoga spaces

Banquet facilities

Aur poora project resort living experience ke around designed hai.

SECTION 6: VILLA OPTIONS

Agent:

Aapke requirement aur budget ke hisaab se multiple options available hain.

Villa with Terrace

Villa with Terrace + Jacuzzi

Villa with Glass House

Personally speaking, Villa with Jacuzzi configuration ka response investors aur end-users dono segment mein kaafi strong hai because it enhances both rental appeal and personal usage experience.

SECTION 7: WHY NOW?

Agent:

<NAME> ji, honestly speaking, maximum returns generally un investors ko milte hain jo market mature hone se pehle entry lete hain.

Jab location completely develop ho jaati hai tab prices bhi different level par pahunch jaate hain.

Abhi Shahapur growth phase mein hai.

Infrastructure improve ho raha hai.

Second-home demand continuously badh rahi hai.

Aur professionally managed resort assets ki demand bhi strong hai.

Isi wajah se kaafi buyers abhi position build kar rahe hain.

SECTION 8: SITE VISIT CLOSE

Agent:

<NAME> ji, main jo bhi bata raha/rahi hoon usse better experience site par milega.

Aap actual location dekho.

Project ka scale samjho.

Villa configurations dekho.

Aur rental model ko detail mein samjho.

Uske baad aap comfortably decide kar sakte ho.

Weekend mein visit convenient rahega ya weekday?

IF CUSTOMER IS NOT READY

Agent:

Bilkul samajh sakta/sakti hoon.

Main aapko project brochure WhatsApp kar deta/deti hoon.

Aap aaram se dekhiye.

Uske baad hum ek short follow-up discussion kar lenge.

CLOSING

Agent:

Thank you <NAME> ji.

Aapse baat karke achha laga.

Main details share kar deta/deti hoon aur agar koi question ho toh humari team aapko guide karegi.

Have a wonderful day.
